

# GRADUATE STUDY IN GIFTEDNESS, CREATIVITY, AND TALENT DEVELOPMENT (GCT) AT THE UNIVERSITY OF CONNECTICUT

Take Your Teaching to the Next Level  
with Educators From Around the World

## PH.D. IN EDUCATIONAL PSYCHOLOGY

With Emphasis in GCT

- Engage in research
- Pursue career directions
- Participate in outreach
- Work with expert leaders in the field

Funding for full-time students is available, including tuition and a generous stipend. Apply by December 1 for full consideration.

## GCT MASTER'S

- Study with leading GCT scholars and practitioners
- Personalize your schedule with a combination of summer courses, online courses, and Confratute
- Experience collegiality and professional growth in a family atmosphere

## ONLINE GRADUATE CERTIFICATE

- 100% online graduate certificate program that can be completed in one year
- Credits earned in the program can later be applied to a master's degree or advanced certificate in Gifted Education
- Develop new skills and deepen your knowledge as you explore options for your professional future
